FERC Tariff No. 19.15.0, Local Rates Tariff

FERC No. 19.16.0 Local Rates Tariff, cancels FERC Tariff No. 19.15.0 (Docket No. IS19-21-000).

In accordance with the requirements of the Interstate Commerce Act (the “ICA”) and the regulations of the Federal Energy Regulatory Commission (the “Commission” or “FERC”), The Tariff is proposed to become effective November 12, 2018 on less than one days-notice.

Explanation of Tariff

FERC No. 19.16.0 Local Rates Tariff, cancels FERC Tariff No. 19.15.0

Bengal is filing FERC No. 19.16.0 to cancel the temporary embargo for movements originating at Norco Saint Charles Parish, Louisiana. The maintenance work, which was the basis of the temporary embargo has concluded, and will allow Bengal to resume normal operations effective November 12, 2018.

Bengal Pipeline Company is requesting a waiver for notice and tariff requirements under 18 CFR 341.14 and under 6(3) of the ICA in order to have FERC Tariff No. 19.16.0 to be effective November 12, 2018 on less than one days’ notice. Lifting the embargo will benefit the shippers; therefore, Bengal would like it to be effective as soon as possible. Bengal acknowledges that this tariff publication is conditionally accepted, pending a thirty-day review period.
